

8117 Staticide[®] Maroon Wrist Straps

Essential ESD wearables

ACL's adjustable Premium Maroon Wrist Straps offer lightweight comfort and secure personal grounding for working in ESD protected areas. Once connected to ground, the stylish Premium Maroon Wrist Strap provides a safe path for eliminating static charges.

Lightweight for extra comfort, the flexible, breathable fabric with insulative outer lining and conductive inner lining ensures full skin contact around the wrist. Conductive fibers are interwoven for maximum conductivity and minimum skin irritation. Each strap is equipped with a "flip and grip" buckle for a secure adjustable fit. The dissipative buckle features a hypoallergenic jewelry-grade stainless steel back plate and a 4mm stud.

The Premium Maroon Wrist Strap is compatible with ACL's #8107 Premium Wrist Strap Cord. Together, the system provides one to five pounds of breakaway force..
