

Pictured: #5074 Wastebasket with #5076B Liners

Product #5076

Product #5076B

Directions:

Clean with Staticide® 6001 Mat & Table Top Cleaner to protect electrical properties. Apply Staticide® 2003 General Purpose for added ESD protection.

Product #5075: Gray 11-gallon pail; 5 per case

Product #5074: Black 11-gallon pail; 5 per case

Product #5076: Pink, #5076B: Black

Tall, fits 11 gal wastebaskets

50pcs, 24"x34" 1.5mil

Product #5079: Pink, #5079B: Black

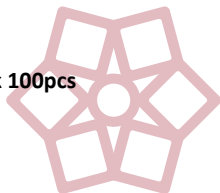

Small, fits 5-7 gal wastebaskets

50pcs, 24"x24" 1.5mil

Product #5078: Pink 25pcs, #5078C: Pink 100pcs

Large, fits 40-45 gal wastebaskets

40"x46" 2mil

Staticide® ESD Wastebasket and Liners

Safe for ESD protected areas

The Staticide® ESD Wastebasket is ideal for cleanrooms, manufacturing, inspection, quality control, research industries, and all ESD protected area where static control is crucial. This sturdy, linear high-density polyethylene wastebasket dissipates static electricity and does not tribogenerate. It contains no carbon, dyes, or additives that slough or outgas, making it suitable for all applications demanding cleanliness.

Made from single-layer polyethylene, Staticide® Wastebasket Liners deliver a static decay rate of under two seconds. Unlike consumer trash bags, which generate significant static charge and risk ESD events, Staticide® Wastebasket Liners are low-tribogenerating and perform consistently regardless of humidity. They are amine-free, maintain stable electrical resistance, and are both non-corrosive and RoHS compliant, offering reliable and safe performance.

WASTEBASKET FEATURES:

- ✧ Resistance (RTT) is between 10e9 – 10e11 ohms
- ✧ Linear high-density polyethylene
- ✧ 11 gallon capacity, 13" diameter rim x 21.75" high
- ✧ Will not tribogenerate or outgas
- ✧ No carbon, dyes, silicone, or plasticizers
- ✧ Electrical properties under warranty for one year after purchase

LINER FEATURES:

- ✧ Resistance (RTT) is between 10e10 – 10e12 ohms
- ✧ Low-density polyethylene
- ✧ Available in 7, 11, and 45 gallon capacities
- ✧ Bottom seal, no gussets
