Dan Kaiser Joins ACL Staticide
New National Sales Manager Brings Strength and Leadership

Chicago, IL, Nov. 19, 2019 - ACL Staticide, Inc. is pleased to announce the appointment of Dan Kaiser as the National Sales Manager effective immediately.

“This addition to our team will enable us to work closely with our distributors,” says Frank Ungari, CEO. “We can integrate Dan’s expertise into our company so we can continue to grow.”

Kaiser brings substantial industry experience to the ACL Staticide team in the areas of sales operations, key account management, product development and market strategy.

“I’m looking forward to growing our business with the great team here at ACL. We have an excellent distribution and manufacturer’s rep network that I’m excited to have the opportunity to work with supporting our customers,” Kaiser explains.

Kaiser is an experienced sales manager with over 20 years of experience working in distribution and business development within the electronics industry. ACL looks forward to his expert contributions in sales and marketing.

[ACL Staticide](#)[®] has been a trusted supplier to electronics manufacturers for 50 years with products for the automotive, avionics, medical device, plastics and telecommunications industries. From highly regarded static control products designed for ESD-protected areas, to contamination control products for critical environments, to enhanced precision preparation products for PCB rework, repair and prototyping, ACL Staticide[®] is a worldwide leader. Recognized for performance, quality and innovation, ACL Staticide[®] complies with all domestic and international standards and regulations and stands behind its pledge to deliver only the best with every product.
