

For Immediate Release

November, 2018

ACL Staticide, Inc. is pleased to announce the appointment of Mr. John Webber as the National Sales Manager effective immediately.

Mr. Webber brings substantial industry experience to the ACL Staticide team in the areas of key account management, product development, marketing, and strategic branding.

“I’m very excited to join the ACL team. I’ve been acquainted with the Staticide brand for many years and I’m thrilled to have the opportunity to contribute to a strong brand name and take it to the next level.”

– John Webber, National Sales Manager.

John Webber is an experienced Sales Manager with over 25 years’ experience in the electronic manufacturing and assembly industry. ACL looks forward to John’s expert contributions in sales and marketing.
